

1.1 GUI

1.1.1 Home Page

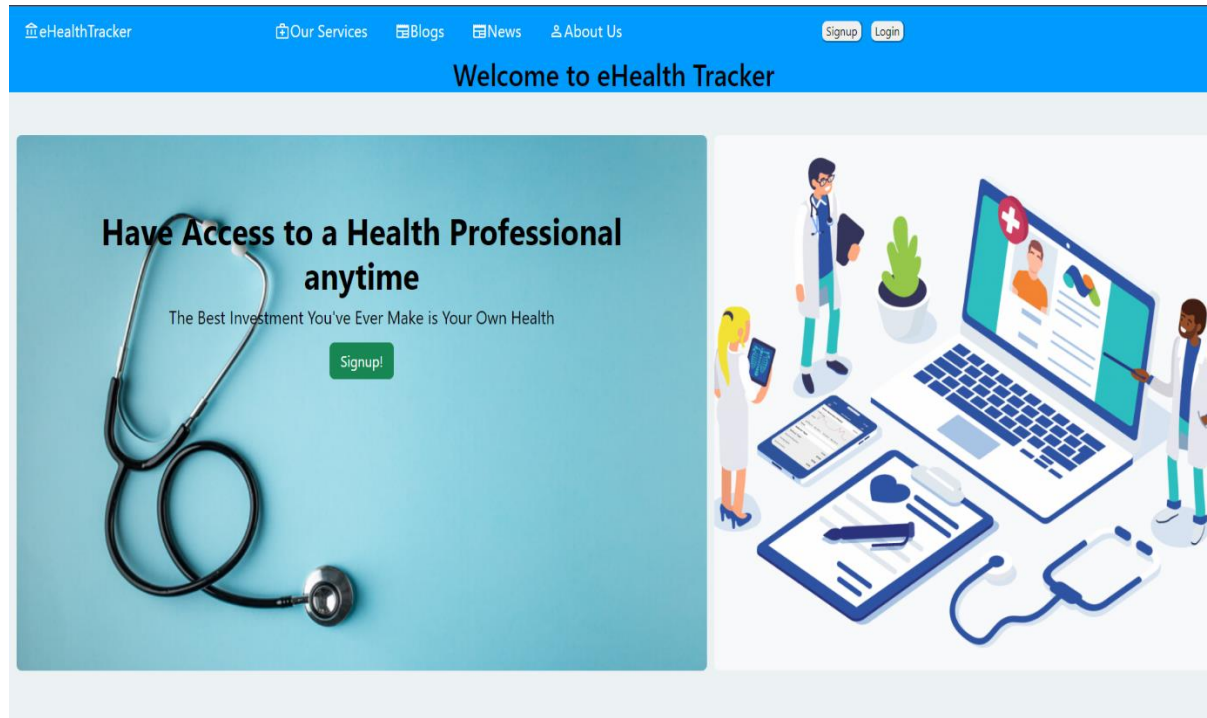

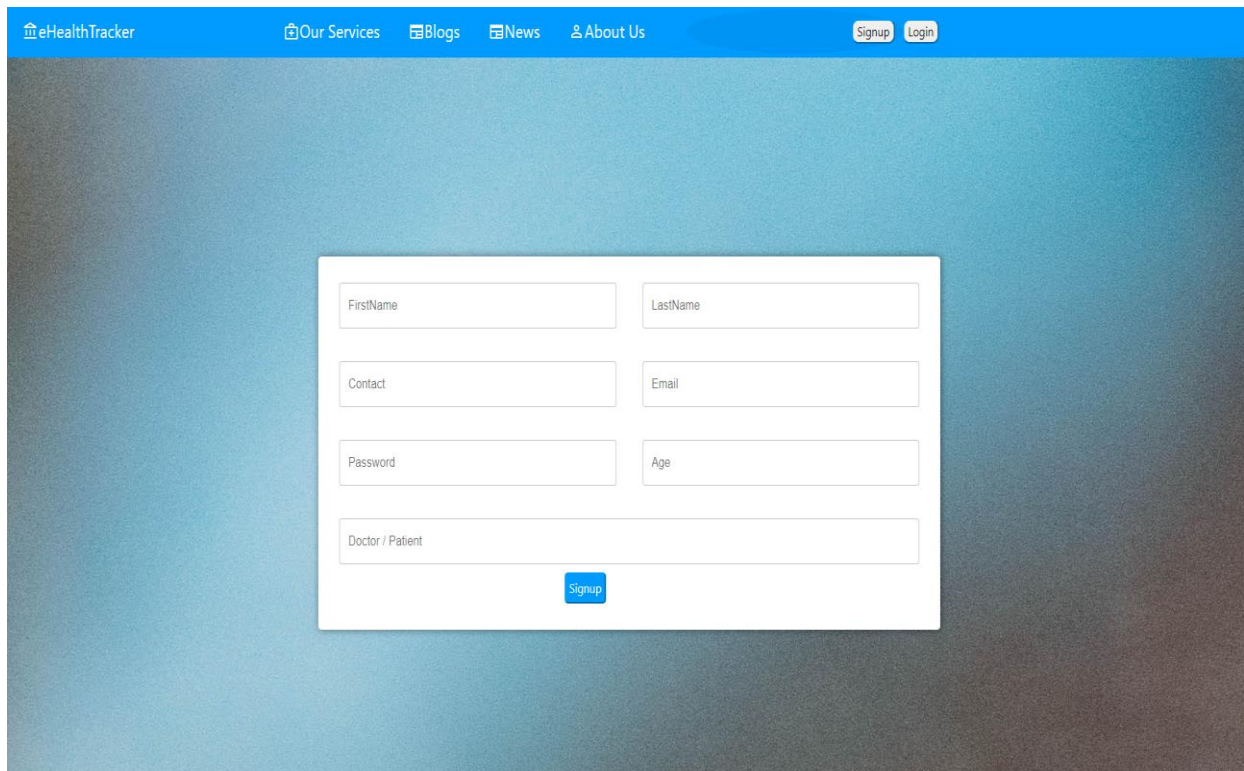

Figure 1.4: Home Page
It is the homepage of our website.

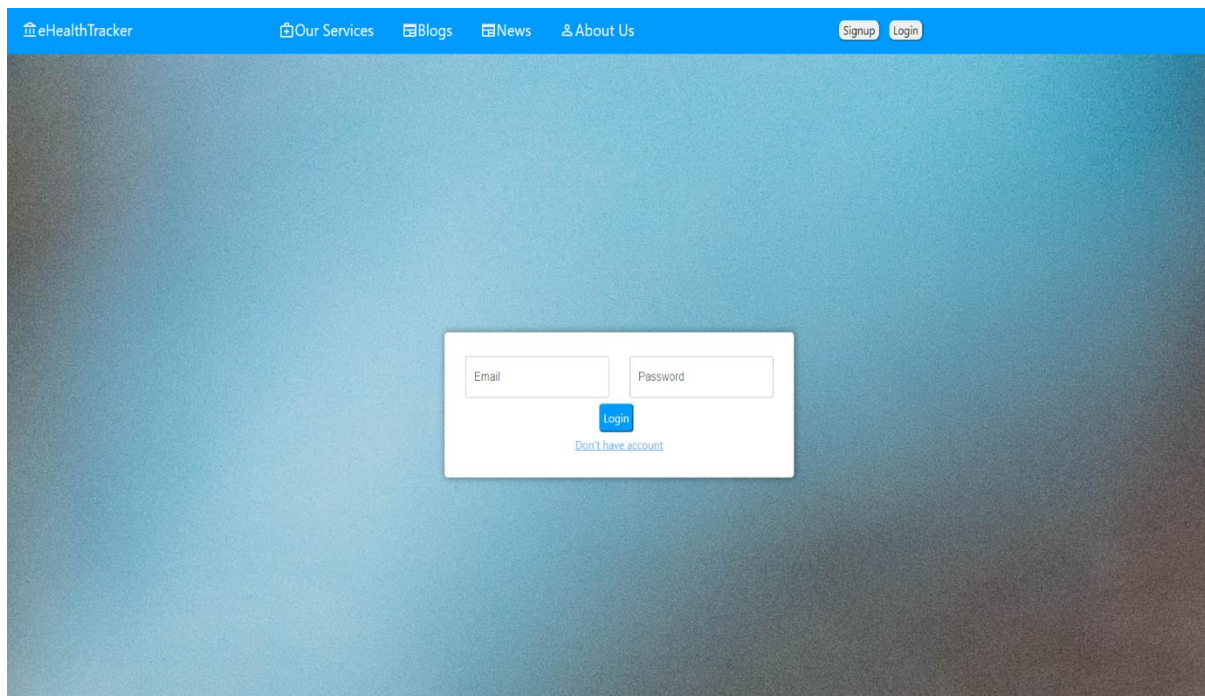

1.1.2 Sign Up

The Sign Up page features a blue header with the site logo 'eHealthTracker' and navigation links: 'Our Services', 'Blogs', 'News', and 'About Us'. On the right side of the header are 'Signup' and 'Login' buttons. The main content area has a teal background and a white sign-up form. The form includes input fields for 'FirstName', 'LastName', 'Contact', 'Email', 'Password', 'Age', and a dropdown for 'Doctor / Patient'. A blue 'Signup' button is positioned at the bottom right of the form.

1.1.4 Our Services

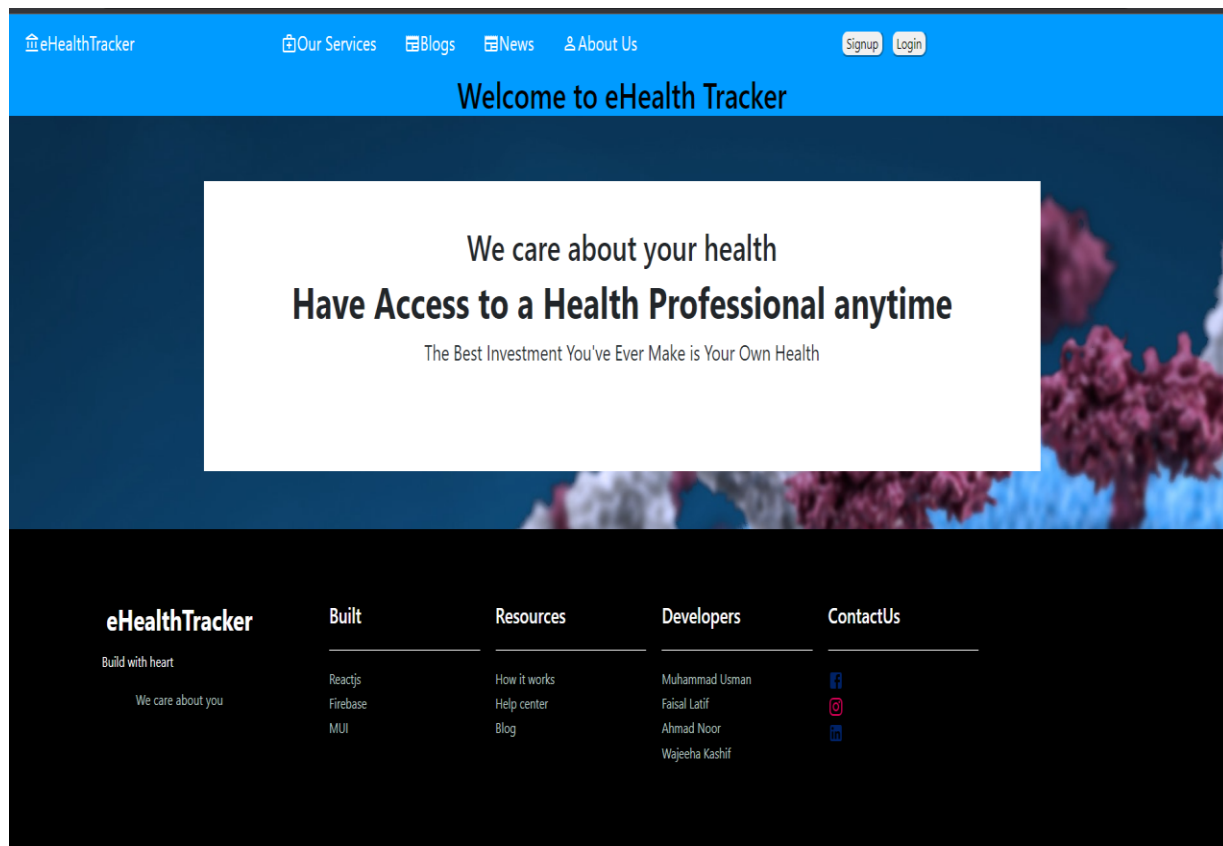

Figure 4.7: Our Services
Page of our website where all the offered services are shown.

1.1.5 Patient's Profile

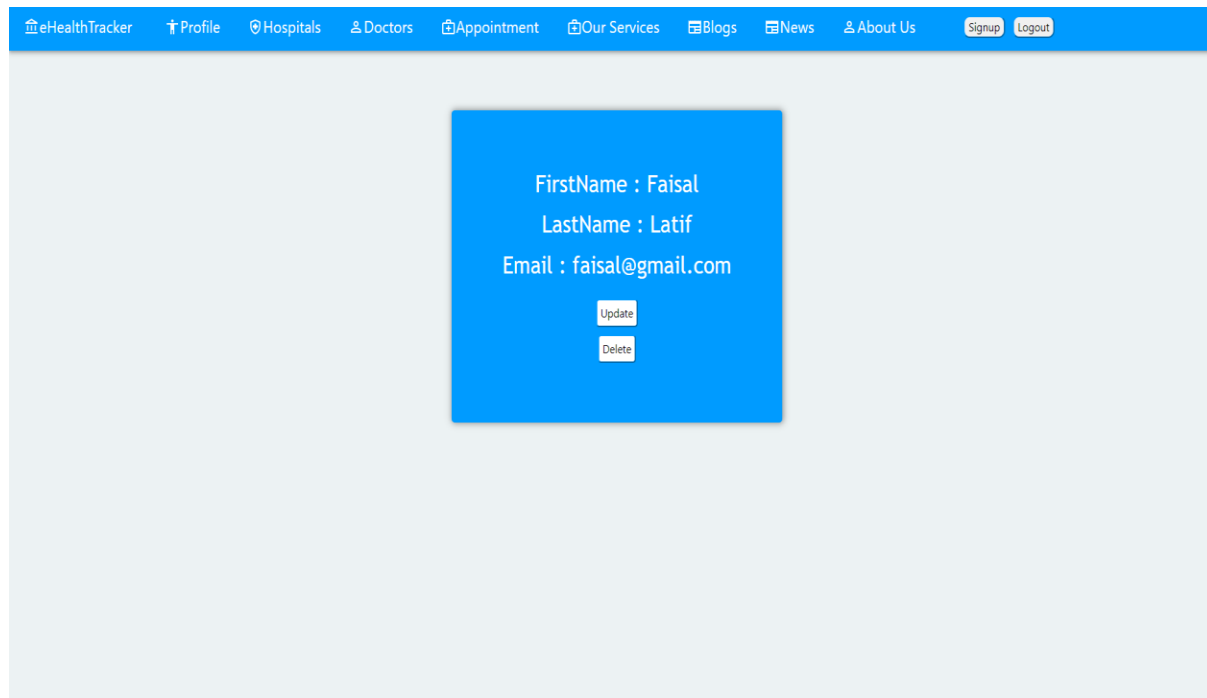

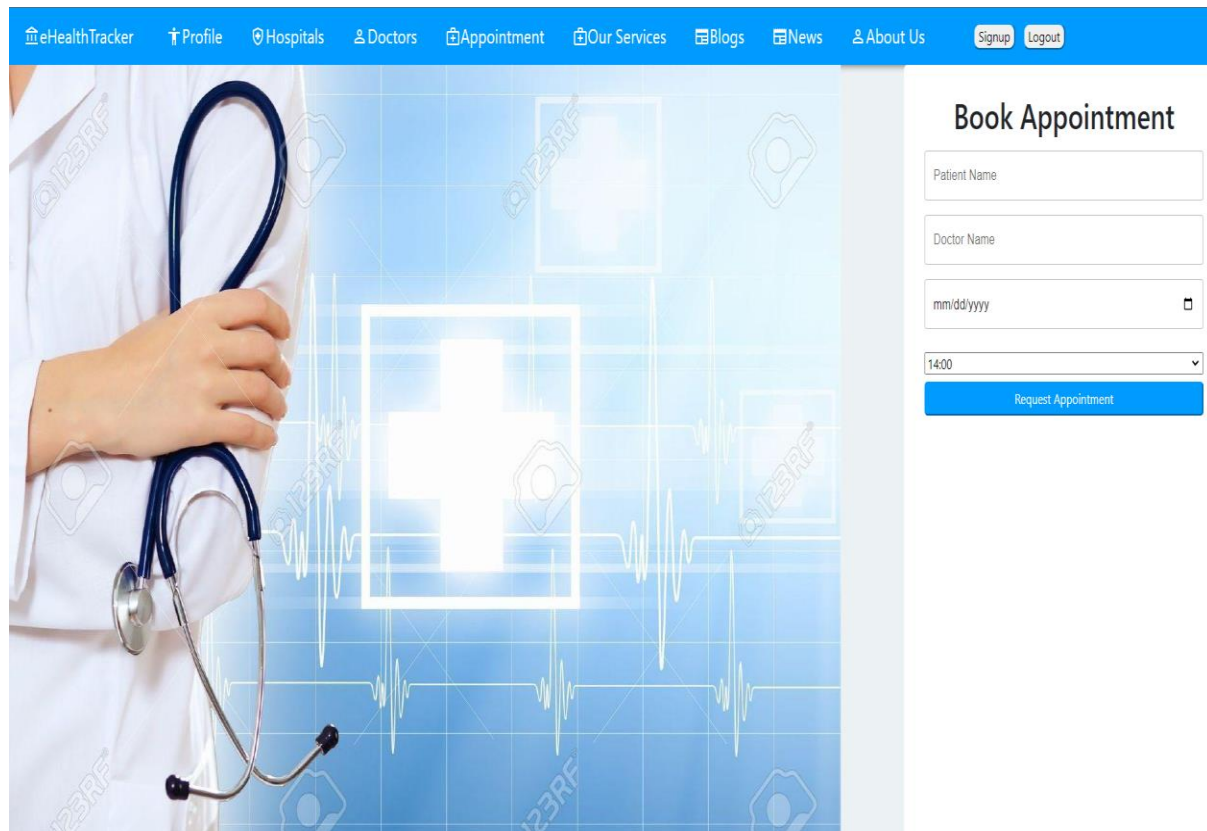

Figure 5.8: Patient's Profile

All of relevant data of patient is shown on this page.

1.1.6 Book an Appointment

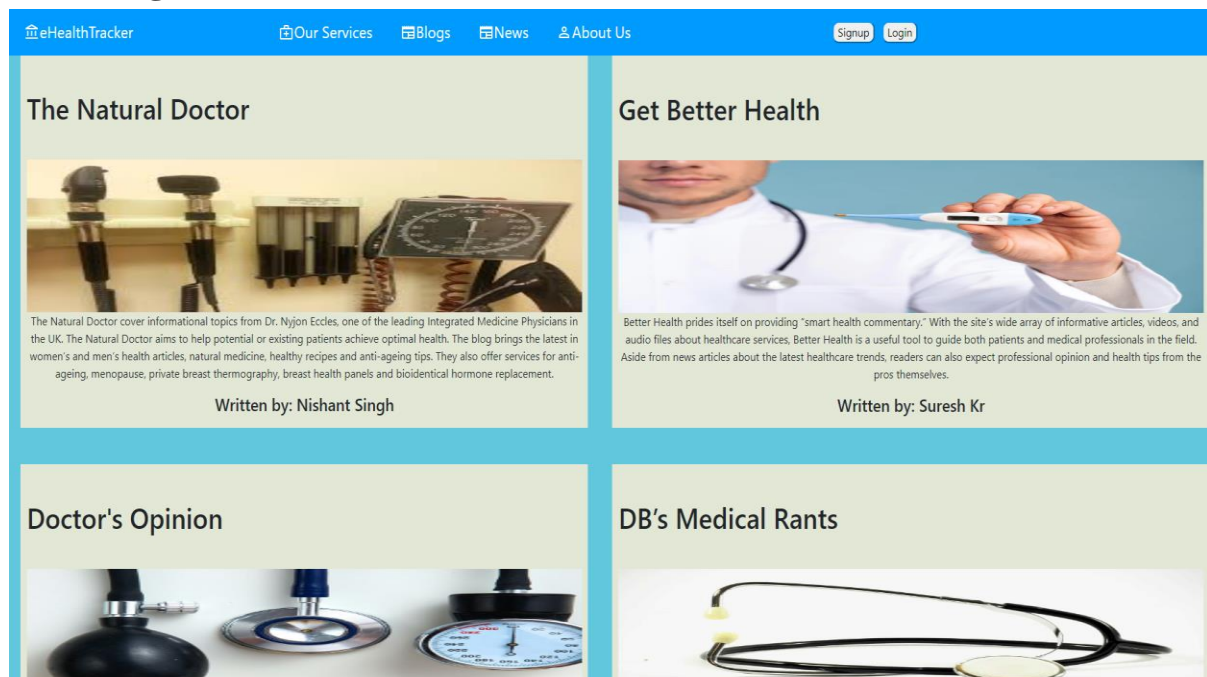

The screenshot shows the 'Book Appointment' form on the eHealthTracker website. The form is located on the right side of the page, with a large background image on the left showing a doctor's hands holding a stethoscope over a blue grid with a white cross and a heartbeat line. The form includes the following fields:

- Patient Name
- Doctor Name
- mm/dd/yyyy (with a calendar icon)
- 14:00 (with a dropdown arrow)
- Request Appointment (button)

Figure 6.9: Doctor Appointment
Finding out of relevant doctor can be done on this page.

1.1.7 Blogs and News

The screenshot shows the 'Blogs and News' section on the eHealthTracker website. The section is divided into four columns, each with a title, an image, a paragraph of text, and a byline.

- The Natural Doctor**
The Natural Doctor cover informational topics from Dr. Nyjon Eccles, one of the leading Integrated Medicine Physicians in the UK. The Natural Doctor aims to help potential or existing patients achieve optimal health. The blog brings the latest in women's and men's health articles, natural medicine, healthy recipes and anti-ageing tips. They also offer services for anti-ageing, menopause, private breast thermography, breast health panels and bioidentical hormone replacement.
